

Neighbors Driving Neighbors (NDN) has once again closed our transportation services. While not taking riders due to the increase in Covid-9 cases in Maine, we are continuing to provide grocery and pharmacy pick-up and delivery.

If you would like for us to pick-up a pre-paid order for you, please give us a couple of days' notice to do so, if possible. We, minimally, need 24-hour notice.

How the service works: If you want groceries, go online to <https://www.hannaford.com/hannaford-to-go> or to <https://www.walmart.com/grocery/>, find your local store and shop online for the items that you want. Once you have completed your order, it will ask for or provide a pick-up time range. This is where you can ask for a pick-up time of two days from the time you place your order. You will pay for your order as you checkout of the order online. Once you have placed your order, call NDN at 207-860-0677 and let us know the time to pickup your order and bring it to your doorstep. If you need pharmacy pick-up from Hannaford or Walmart, ask this of your pharmacist or pharmacy aide when you place your order. If you use another pharmacy, we can pickup an order for you as long as you have paid for it ahead of time with a credit card. Once again, remember to call us with details to request a pick-up with plenty of notice.

We look forward to a time when we can safely provide rides once again!
